

# ELOLF STEAM ACADEMY

STEAM Program coming  
2021-2022 school year!

## ABOUT US

We believe that learning should be engaging while focusing on real-world learning opportunities.

## WHAT MAKES ELOLF STEAM ACADEMY UNIQUE?

Our curriculum will focus on **collaborative learning and problem-solving**. Students will use technology to **research, investigate and share their learning**. They will also **become independent thinkers and learners** while teachers monitor and guide their learning.
